Visit Tek.com/calweb

Navigate to tek.com/calweb and click the “Log In or Create Account” button. If you are an existing user, you can also use this link to log in to your CalWeb account.

Click the New User Registration Link

On the CalWeb Log In screen, click on the “New User Registration” link under the “Log In” button.
Fill Out New User Registration

Fill out the New User Registration form to create your account in CalWeb. If you know your organization’s CalWeb customer number, enter it in the “Customer #” field. This helps us ensure your individual account is linked with the correct company account.

If you are in an FDA regulated industry and you need proof that CalWeb is compliant with 21 CFR parts 11 and 820, check the “FDA Validation Required” box to receive validation notifications.
